

MACHINE	
Code	Description
7525336	TASKI ERGODISC FLEXX 43B
7525337	TASKI ERGODISC FLEXX 43 c/w Spray Unit
7525338	TASKI IntelliPower Li-Ion Battery 36V 15Ah
7525339	TASKI IntelliPower Li-Ion Multi Charger 36V EU (c/w cable & plug)
7525360	TASKI IntelliPower Li-Ion Multi Charger 36V UNI (no cable)
ACCESSORIES	
Code	Description
7525358	TASKI Foam Generator 36V
8504390	Water tank 10L
7525361	Additional weight 4KG
7525362	Additional weight 10KG
8505010	Manual shampooing set for carpets
8504410	Pad drive harpoon grip 43 cm
7510030	Pad drive harpoon grip high-speed 43cm
8504750	Scrubbing brush 43cm
8504800	Scrubbing brush, washed concrete, 43 cm
8504780	Scrubbing brush, abrasive, 43 cm
8504830	Dry shampooing brush 43 cm
8504860	Wet shampooing brush 43 cm

TASKI is one of four core areas of the Diversey business.

TASKI The **ULTIMATE** Cleaning Machines

TASKI® ERGODISC FLEXX

Cordless multiple speed single disc machine
Ultimate flexibility, ultimate freedom

Ultimate flexibility, ultimate freedom Cordless multiple speed single disc machine

Harnessing the latest digital motor technology, TASKI has cut the constraints holding back the single disc rotary cleaning machine.

With no cable to worry about you have maximum safety. With multiple speeds you have maximum flexibility to cover heavy duty and daily floor care tasks. ERGODISC FLEXX could be the only single disc machine you'll ever need.

Cordless

No cable means no trip hazard and no risk of electric shock. Use anywhere, anytime. No constraints. Perfect for public areas, mobile and transport cleaning. 97% reduction in avoidable unproductive time normally spent on preparation, safety checks and clean down.

Multiple speeds

All heavy duty, low speed and high speed applications are covered by 3x speeds:

- ☐ Heavy duty/Eco - sanding, diamond grinding, Twister
- ☐ Low speed - stripping & scrubbing
- ☐ High speed - spray cleaning & buffing
- ☐ 3in1 machine means 66% saving on machines & accessories

Brushless digital motors

Smaller, more efficient digital motors with little or no maintenance means less engineer visits for lower carbon footprint and costs. 40% reduction in energy and 744kg kg of CO₂ saved compared to cable machines.

36V Lithium battery

Up to 2.0hrs run time depending upon application and up to 2000 cycles for extended longevity.

36V fast charger

Short recharge time of 1.0hrs, infinite autonomy is possible with 2 x batteries. Re-charge 1st battery whilst using the 2nd battery then swap when needed.

New dashboard

Choose low, medium or high speed at the press of a button

Ergodisc handle

Proven ergonomics and fully adjustable reduces fatigue and improves productivity

New battery compartment

Simple load and click makes battery changing easy

Oversized wheels

Tested and proven over many years to make transport easy and convenient

New digital motor

Delivers multiple speeds and maximum battery autonomy

Low profile base

Improved visibility and profile makes edge cleaning easy even under furniture and fixings

New dispensing unit & Foam Generator

3 solution options:

1. 10L solution tank for wet tasks
2. Spray unit for spray cleaning
3. Foam generator for dry foam carpet shampooing.

Dashboard & multiple speeds			TASKI IntelliPower 36V Li-Ion battery & charger	
Speed	RPM	Applications	36V battery	36V charger
HD/Eco	120	Heavy duty / max autonomy	Up to 2hrs run time. Up to 2000 cycles	Recharge 1.0hr*. Infinite autonomy is possible with 2 or more batteries.
Low/STD	150	Low speed applications		*1.5hrs 100%
High	350	High speed applications
