An Experience to Feel, A Story to Share

Guest Experience

Revolutionize your washroom design to create a unique and memorable experience for your customers

- Patented grinding, fine powder
- Stylish and modern
- Precise, controlled dosing
- Hygienic closed system
- Patented hand wash bars

Sustainability

Lead the way in sustainability with less waste and reduced CO₂ footprint

- Zero plastic packaging
- Zero product waste
- Natural ingredients
- Smaller, lighter hand wash bars (95% less water in transport vs cartridges)

Operational Efficiency

Lower your Total Cost of Ownership (TCO) with lower storage, waste streams and maintenance costs

- 97% less storage space required
- Colour-coded never-empty functionality
- Lower waste disposal costs
- Never empty dispenser

By Professionals For Professionals!

#1 choice for busy washrooms

Transform your washrooms with an innovation that blends hygiene, sustainability and style – while keeping costs low.

Designed with professional end users in mind, the new manual dispenser is sleek and stylish, perfect for mid to high traffic washrooms, and provides up to 1800 hand washes.

The **solid hand wash bars** have also been formulated to reduce maintenance requirements from staff while bringing a wow experience to end users, leaving hands clean, soft and smooth.
