

Room Care R2-Des

Hard surface cleaner and disinfectant

Description

Ready-to-use cleaner/disinfectant for the hygienic cleaning of all water resistant hard surfaces.

Key properties

- Formulated for the hygienic cleaning of hard, water-resistant surfaces
- Slightly alkaline
- Non-abrasive
- Light, delicate and fresh fragrance
- Unique, patented ONT air neutralising technology alters malodour molecules

Benefits

- Leaves surfaces hygienically clean
- Quickly and gently removes oily and water-soluble residues
- Leaves a pleasant scent behind
- Neutralises malodour molecules, enhancing the effect of the perfume
- Colour and alphanumeric coded to prevent application mistakes

Use instructions

Spray a small quantity onto a damp cloth/sponge pad and clean the surface. Let product act for the required time according to the microbiological data. Rinse with fresh water or wipe with a clean, damp cloth. Buff with a dry cloth for extra shine. For more detailed application, please refer to Room Care R2-Des Mini Guide.

Dosage*

Ready to use, no dilution required.

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*
