

Diversey™

TASKI® Sprint Emerel Plus

Heavy-duty multi purpose cleaner

Description

Strong multi purpose cleaner for the fast and effective cleaning of water resistant surfaces and non-coated floors.

Key properties

- Due to special active substances it removes most stubborn soil and encrustations
- Gentle but efficient formulation
- Unique, patented Odour Neutralizing Technology (O.N.T.)

Benefits

- Ensures outstanding cleaning results on dirt crusts, nicotine films, ink, pen marks, pencil, lipstick, black heel marks, greasy food residue and other persistent soils
- Suitable for most water resistant surfaces and floors
- Leaves a pleasant fragrance

Use Instructions

TASKI Sprint Emerel Plus needs to be diluted and is either dosed manually or with a pump.

Dosage

Spray method*: Dose 5ml (1%) into a 500ml spray bottle filled with water. For tough stains increase dosage to 10ml (2%).

Bucket method*: Dose 30ml per 10L water (0.3%). For heavy soil increase dosage up to 200ml / 10L water (2%).

**This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

Application

Surface Cleaning: Apply the cleaning solution with a cloth either from a bucket or via a trigger spray. For tough stains spray directly on surface, scrub if necessary to remove stubborn soil, rinse or replace the cloth regularly.

Floor Cleaning: Apply the cleaning solution to the floor using a mop and bucket. For heavily soiled areas scrub or mop for 5 minutes to allow a good contact with the floor. Rinse or replace the mop regularly.
