

# SURE Washroom Cleaner & Descaler QS

## Washroom cleaner & descaler in QuattroSelect® pouch

### Description

SURE Washroom Cleaner & Descaler is part of a unique range of plant based, 100% biodegradable professional cleaning products for all daily cleaning needs. It is a concentrated highly effective product for daily and periodical cleaning of water-resistant hard surfaces in washrooms and toilets. Suitable for any water type condition including hard water areas. The special formulation provides excellent cleaning performance while preventing lime scale build up.

### Key properties

- Suitable for cleaning and descaling of all water-resistant hard surfaces
- No fragrance nor dye
- Contains plant based ingredients from renewable sources
- 100% biodegradable and decomposed by natural processes
- No environmental hazard classifications, no safety warnings for product in use for user

### Benefits

- Concentrated formulation gives excellent economy in use
- Effective cleaning and descaling even in hard water areas
- Suitable for use on intact chrome and stainless steel textures
- Reduced environmental impact

### Use Instructions

Point the yellow QuattroSelect unit selector valve to the quadrant which corresponds to the right product and application.

#### Spray cleaning:

1. Fill the 750 ml spray bottle from the low flow educator.
2. Spray the solution on a damp cloth and wipe.
3. Use a sponge pad to remove stubborn soil.
4. Rinse or replace the cloth regularly.

#### Bucket cleaning:

1. Fill the bucket using the high flow eductor through the filling gun.
2. Apply the solution with a cloth/sponge or mop and wipe.
3. Use a sponge pad to remove stubborn soil.

### Dosage\*

SURE Washroom Cleaner & Descaler is supplied in flexible, environmental 2.5L plastic pouches designed to fit into the QuattroSelect dosing system.

For use of spray method: 1%

For use of bucket: 0,3%

Please refer to the QuattroSelect unit installation manual for selecting the right dilution tip.

*\*This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

EU Ecolabel: NL/020/045

## Technical data

|                                              |                                 |
|----------------------------------------------|---------------------------------|
| Appearance:                                  | Colorless to pale yellow liquid |
| pH value (neat):                             | > 2                             |
| Relative density (g/cm <sup>3</sup> ; 20°C): | ≈ 1.07                          |
| Viscosity (mPa.s; 25°C):                     | < 50                            |

*The above data is typical of normal production and should not be taken as a specification.*

## Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; [sds.diverseysteamcleaners.com](https://sds.diverseysteamcleaners.com). Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

## Product compatibility

Under recommended conditions of use, SURE Washroom Cleaner & Descaler is suitable for use on all water resistant materials and surfaces. Do not use on water-sensitive surfaces/materials (e.g. unsealed wood or cork). Test material compatibility in a small, inconspicuous place before use.

## Environmental information

SURE Washroom Cleaner & Descaler formulation is 100% biodegradable according to OECD 301B test.

The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation.

SURE Washroom Cleaner & Descaler is awarded the licence (EU: NL/020/045) fulfilling the EU-Ecolabel criteria as an environmentally friendly product.
