

SURE Machine Dishwash Detergent

Liquid mechanical ware washing detergent for hard water

Description

SURE Machine Dishwash Detergent is part of a unique range of plant based, 100% biodegradable professional cleaning products for all daily cleaning needs. It is a concentrated liquid detergent for mechanical ware washing. It provides excellent soil removal in hard water conditions.

Key properties

- Quickly removes grease and dried-on food
- Prevents scaling of the dish wash machine even in medium to hard water conditions
- Very effective due to highly concentrated formulation

Benefits

- EU Ecolabel (EU-flower) certified
- Cradle to Cradle Material Health certified Gold
- Reduced impact on aquatic ecosystems
- Performance tested

Use instructions

SURE Machine Dishwash Detergent is normally applied using Diversey automatic dosing equipment. It can also be used in conjunction with integral dosing pumps where these are fitted.

Dosage*

To ensure perfect cleaning results in hard water conditions, dose according to the degree of soil, and the water hardness.

Dose at a minimum concentration of 0,4ml/l* depending on local site conditions. At 2ml/l, this will prevent scale deposits in water containing up to 220ppm CaCO₃ 12.4°dH, 22.0°F.

Using the EU Ecolabelled product according to dosage instructions will contribute to the reduction of water pollution and waste production.

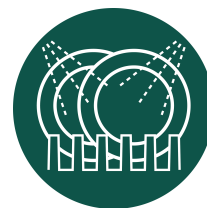

Maximum dosage according to EU Ecolabel criteria is 4ml/l.

Proper dosages and temperature save costs and minimize the environmental impacts.

*This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.

Maximum recommended dosage

Maximum dosage according to EU Ecolabel criteria is 4ml/l.

EU Ecolabel: SE/038/001

SURE Machine Dishwash Detergent
