

TASKI®

Jontec Omnispray

Cleaner and maintainer

Description

High gloss spray cleaner/maintainer, for use on coated and uncoated floors. Suitable for use with any machine > 300 rpm. Ideal in combination with TASKI omni system.

Key properties

- Perfect combination of a high quality polymers, wax and effective solvents
- Leaves a thin protective maintenance film
- Versatile application

Benefits

- Effectively cleans and maintains hard floors in one step
- Restores scratched and damaged floor finishes and provides a uniform high shine
- Dries very quickly and permits floor maintenance without restricting area use
- Reaches a high level of gloss

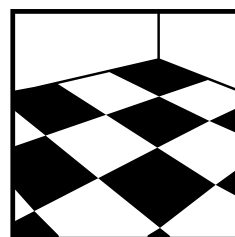

Use instructions

For a better and sustainable result, we recommend to use TASKI IntelliPad.

1. First damp mop and fill the product into the spray device of a single disc machine > 300 rpm (e.g. TASKI ergodisc omni/ TASKI ergodisc 1200), equipped with a red pad.
2. Spray the product onto the floor and immediately treat the surface with the machine.

Dosage:

Ready to use, no dilution required.

Appearance: White, opaque liquid

pH value (neat): 9.4

pH value (in use): 9

Relative density (20°C): 1.00 g/cm³

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; sds.diversey.com. Store in original closed containers away from extremes of temperature.

Only for professional users / specialists. Do not store or use at temperatures below 5°C.

Product compatibility

As soon as the pad smears (under conditions of extreme soiling or on large surfaces), turn the pad over or use a clean pad.

Pad cleaning: soak soiled pads overnight in a 2% stripper solution (e.g. Jontec Futur).

Afterwards, rinse thoroughly and allow to dry.

Environmental information

The surfactants used in this product are biodegradable in compliance with the requirements of EC Directives 73/404/EEC and 73/405/EEC and their subsequent amendments.
