

Ekcos powerscreen

Anti-splash urinal screen

Description

Urinal screen designed to prevent splashback, protect the floors, and reduce odors for 30 days or more. The best thing about having powerscreen in your urinals is giving your customers a dignified public bathroom experience for the first time ever.

Key properties

- Patented sealed bristle technology helps eliminate urine splashback
- Flexible plastic to conform to any size/shape urinal
- Infused with a proprietary resin that uses time released deodorant technology
- Variety of colorful urinal screens with complimentary fragrances
- VOC compliant and 100% recyclable plastic
- Versatile

Benefits

- Prevents urine splash which contributes to deterioration of floors and wall surroundings
- Designed for heavily trafficked public restrooms, such as those found in hotels, convention centers, restaurants, and hospitals
- Emits a fresh/clean scent
- More days depending on traffic, powerscreen can last longer than 30 days depending on use.
- Prevents unwanted debris from blocking or clogging the drain
- Perfect for monthly hygiene services
- Compatible with Good Sense Breakdown (Bacteria-fortified odour eliminator cleaner) for the waterless urinals

Use instructions

For use in watered and waterless urinals.

Dosage:

Ready to use.

Application:

1. Remove old urinal screen from the urinal and recycle properly.
2. Remove any debris in the urinal.
3. Clean the urinal with a bowl or restroom cleaner.
4. Remove the urinal screen from its plastic packaging.
5. Place urinal screen in the center of the urinal with bristles facing upwards
