

QuattroSelect System

Dilution Station for Building Care

The QUATTROSELECT System brings you:

- ▶ Easy Bottle/Bucket Filler
- ▶ Reliability and Safety
- ▶ Easy to use Filler Gun
- ▶ Locked Door Security Feature

Improves your Efficiency

Fast and efficient filling of spray triggers, with low flow rate, and buckets as well as machines with high flow rate. QUATTROSELECT supports up to four products with different dilution rates.

Increases your Safety

QUATTROSELECT is a closed system, which prepares ready to use cleaning solution automatically using super concentrates. Additionally the doors can be locked, making sure the chemicals stay out of reach of the operator.

Improves your Environmental Footprint

QUATTROSELECT uses super concentrates, packed in environmental friendly packaging. This dramatically reduces product consumption and packaging waste, while optimising storage and transport costs.

Easy installation, use and maintenance

The ABS moulded cabinet is light and to install and very durable. Additionally the removal and the replacement of parts is quick and require no tools. All parts to be operated are colour coded yellow for easy training and understanding.

Consumption and cost control

With an automatic preparation of ready to use solution, QUATTROSELECT removes the influence of the user when preparing cleaning solution and therefore guarantees consumption and cost control.

QuattroSelect System Specifications

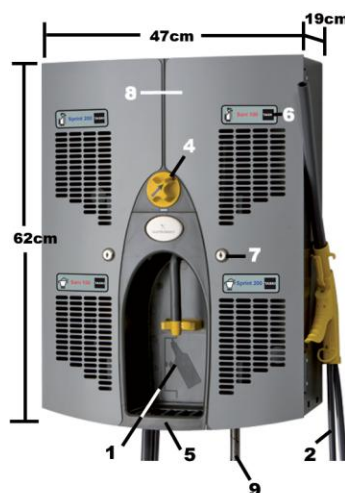

Technical Data

Specifications

Unit Dimensions H x W x D	620x470x190mm
H x W x D	24.25"x18.5"x7.5"
Net Weight	6.8 kg; 15 lbs
Weight in Carton	8.6 kg; 19 lbs
Carton Dimensions	686x521x240mm. 27"x20.5"x9.5"

Operating Range Requirements

Water Pressure Airgap	2 - 5.8 Bar 30 - 85 psi
Water Pressure Safegap	2.5 - 5.8 Bar 36 - 85 psi
Water Flow	7.6 l/m; 1.65 igpm
Water Temperature	10 - 40°C, 50 - 120°F
Low Flow Rate	4 l/m, 1 igpm
High Flow Rate	11.0 l/m 2.75 igpm
Water Inlet Hose	1.22 m, 4 feet
Remote Bucket Fill Hose	2.44 m, 8 feet
Drip Tray Hose	2.44 m, 8 feet

Key

- 1: Bottle Fill Station
- 2: Bucket Fill Gun
- 3: Chemical Pouch
- 4: Product Selector
- 5: Removable Drip Tray
- 6: Chemical Label Indicator
- 7: Lockable Doors
- 8: Powder Coated Steel
- 9: Water Inlet Hose

Ordering Information

Description	Part No
QUATTROSELECT Pouch AirGap	1211418
QUATTROSELECT Pouch SafeGap	1211419
QUATTROSELECT Filter Valve assembly	1209077
Hose Assy SST Braided 1.5m - QFM	1204399
QS Pouch Feedline Orange Upper Right	1211473
QS Pouch Feedline Green Lower Right	1211474
QS Pouch Feedline Yellow Lower Left	1211475
QS Pouch Feedline Black Upper Left	1211476
QS Pouch Safegap Manifold	1211477
QS Pouch AirGap Manifold	1211478

Description	Part No
QUATTROSELECT Lock & Key Set	1209089
QUATTROSELECT Hose Hook	1209087
QUATTROSELECT Selector Knob with Hitch	1209090
QUATTROSELECT Hitch Pin	1209092
QUATTROSELECT Bottle fill hose	1209091
QUATTROSELECT Hose & Gun Assy	1209085
QUATTROSELECT Turn Key Mechansim	1209088
QS EMA Metering Tip Kit	1211472
J-Flex DW20 SCV 3/4" Connector	1211451
